

TOURNAMENT FORMAT

TEAM COMPETITION:

Each year teams qualify to compete for one of two Team State Championships. There are six (6) teams competing for the State Championship at 4A and eight (8) teams competing for the State Championship at 1A/2A/3A. A team consists of six competitors per event, including any all-around competitors, with five scores counting, and a maximum of sixteen competitors per team. Team scores are determined by adding the top five scores from the six competitors of each team per event (bars, beam, floor, vault).

ALL-AROUND COMPETITION:

The all-around competition consist of members of qualifying teams and gymnasts who qualified as individual competitors. These individuals will compete in all four events (bars, beam, floor, vault) throughout the course of day one. Since all-around competitors can belong to a qualified team or qualify on their own, the all-around competition will be contested during both the team and individual sessions of the first day. All-around totals will be determined by adding the average scores of the four events (bars, beam, floor, vault).

INDIVIDUAL COMPETITION:

In addition to the qualifying teams, individual gymnasts can qualify for the State Championships in one event, multiple events, or as an all-around competitor. Individual competitors will compete during the individual rotation schedule. Gymnasts that compete in the team competition are also competing as individual competitors and will be eligible for awards in the individual competition.
